

The Family Paddle sponsored by the Twin Rivers Paddle Club will be held on Saturday June 26th 10:00am at Creekside Park. We are asking volunteers to arrive at 9:30am. This paddle has received quite a few calls of interest. My main concern at this point is that we are getting requests from parents of really young children. That would probably mean canoes and very small life jackets. We could use a good response from volunteers. The schedule will follow past paddles. After some initial instruction we hit the water for 1-1 1/2 and then we have a hot dog lunch. Thanks to all the members in advance for their assistance. Please call me at 636-6606 if you have any questions
