

## Lumber River Canoe and Kayak Challenge September 18<sup>th</sup>, 2010

I hope this finds everyone well-trained and ready to take on the 2010 version of the Lumber River Challenge.

Once again we're going with 10 and 20 mile races. Last year's crowd was our biggest yet and there was some great racing at both distances. If you've never paddled the Lumber before, this race is an excellent opportunity to come out and see one of North Carolina's most beautiful rivers. The Lumber is designated Wild and Scenic and was recently voted one of North Carolina's Top 10 Natural Wonders.

The latest water level at Boardman was 5.7 ft, well above our suffer fest of 1.64 in 2007, but short of our 8.1ft 4000 cfs rocket ride of 2008!

I look forward to seeing everyone on September 18<sup>th</sup>.

The entry form is included on the next page, so hopefully everyone will get the needed info.
